**Re: United States v. Tracy Fisher**  
**Criminal Action No. 05-12-GMS**

Dear Judge Sleet:

In the above-captioned matter, the defense anticipates filing a reply to the Government's Sentencing Memorandum In Support of Sentencing Enhancements.

Counsel needs to see certain evidence in the case prior to the filing. The government will accommodate that request, but because of the schedules of various relevant custodians, it has taken longer than expected.

The government, per Richard Andrews, has no objections to a continuance. The defense therefore requests a continuance until January 5, 2006 to file its reply.<sup>1</sup>

Respectfully submitted,

/S/  
Penny Marshall  
Federal Public Defender
